

# Course application

## autumn term 2005

### Place

Scheduled courses take place at our premises either in Halmstad or Malmö.

### Course application

We would like to receive your application no later than three weeks before the course begins. Please note that the number of course participants is limited. We shall send confirmation, which will also include information concerning the course venue and times.

### Cancellation

If you have to cancel in the period between 3 and 1 weeks before the start of the course, we must debit half the course fee. In the case of a cancellation less than 1 week before the start of the course, we must debit the whole of the course fee. Please feel free to transfer places on the course to others in your company. Just let us know who will be coming instead.

### Course fee

Scheduled courses are charged with SEK 3,500 per person and day. The course fee for customized courses is SEK 8,900 per day plus SEK 700 per person and day. Study literature, coffee and lunch are included. Invoice will be sent the day the course begins. Terms of payment: 30 days net.

### General information

We reserve the right to make changes in the course schedule, curriculum and study literature. A training course can be cancelled due to all too few participants.
